VIN ETCHING HELPS DETER CAR THEFT BECAUSE

- VIN-etched car windows prevent car thieves from switching the VIN number plate on the dashboard to mask the car's identity
- cars and their marked parts cannot be sold as easily by thieves.

DON'T MAKE YOUR VEHICLE A TARGET

- Take your keys
- Close windows & lock doors
- Park in a well-lit area at night

Enter to win an
80-piece Emergency
Road Kit. (retail
value: \$119).

This is a FREE event for AAA Members and the General Public. No appointment necessary; however you will need to register with the front desk upon arrival at AAA Huntington to secure the service. For more information call 304-523-6423
