**PROTECT YOUR VEHICLE FROM THEFT**  
Join the Bucks County District Attorney's Office at Thompson Toyota. Get your VIN etched at no cost!

# THOMPSON TOYOTA

122 W. Swamp Rd, Doylestown (Rt 313 and 611)

## What is VIN Etching?

VIN etching "tattoos" the unique vehicle identification number (VIN) on all of the vehicle's windows and sunroof. The chemical etching does not harm the glass and does not detract from the vehicle's appearance. VIN etching deters theft as it makes it more difficult for a thief to sell the car or its parts.
