

Heavy Equipment Identification and Theft Training Program

June 2, 2022
9:00 AM – 4:00 PM

Raymond M Blasco, MD Memorial Library
(Admiral Room)
160 E. Front Street, Erie, PA 16507

The PA ATPA, in partnership with the Erie Police Department, will be conducting a training program on heavy equipment thefts. This program will feature classroom instruction and a site visit to a heavy equipment dealer for hands-on learning. Instructors will be experienced investigators from the PSP Western Auto Theft Task Force.

Attendees will learn how to recognize and investigate the theft of heavy equipment and how to locate and recover identifying characteristics on heavy equipment.

There are **25** training slots available on a first come, first accepted basis. There is **NO** fee for this training. Lunch is provided. Attendees should dress appropriately as the afternoon session will be outdoors.

Register online at www.watchyourcar.org

For questions, please contact the **PA Auto Theft Prevention Authority** at (717) 591-7097.
