

# Heavy Equipment Identification and Theft Training Program

May 11, 2022  
9:00 AM – 4:00 PM

Peters Township Police Department  
200 Municipal Drive  
McMurray PA 15317

The PA ATPA, in partnership with the Peters Township Police Department, will be conducting a training program on heavy equipment thefts. This program will feature classroom instruction and a site visit to a heavy equipment dealer for hands-on learning. Instructors will be experienced investigators from the PSP Western Auto Theft Task Force.

Attendees will learn how to recognize and investigate the theft of heavy equipment and how to locate and recover identifying characteristics on heavy equipment.

There are **30** training slots available on a first come, first accepted basis. There is **NO** fee for this training. Lunch is provided. Attendees should dress appropriately as the afternoon session will be outdoors.
