

Heavy Equipment Identification and Theft Training Program

November 20, 2024
9:00 AM – 4:00 PM

Franklin County Public Safety Training Center
3075 Molly Pitcher Highway
Chambersburg, PA 17202

The PA ATPA will be conducting a training program on heavy equipment thefts. This program will feature classroom instruction and a site visit to a heavy equipment dealer for hands-on learning. Instructors will be experienced investigators from the PSP Western Auto Theft Task Force.

Attendees will learn how to recognize and investigate the theft of heavy equipment and how to locate and recover identifying characteristics on heavy equipment.

There are **60** training slots available on a first come, first accepted basis. There is **NO** fee for this training. Lunch is provided. Municipal officers will earn 6 MPOETC CLEE credits for completing this program. Attendees should dress appropriately as the afternoon session will be outdoors.
